

Ballygawley Early Years Playgroup

Mission Statement

To provide a stimulating, safe and learning environment for children aged 3 to 4 years.
To help them develop through play as equals whilst acknowledging their individual needs.
We aim to give them the opportunity to develop as valued individuals.

- To learn through play in a safe, stimulating environment
- To enjoy the company of other children, interact and socialise
- To build relationships with adults away from the family in a safe environment
- To take part in a group which values everyone, whatever their race, gender, cultural background or special needs
- To develop his/her own character with the encouragement and support of adults
- To grow in self-confidence encouraging the ability to choose from a range of activities in a caring environment
- To develop independence of their own by managing apart from parents/guardians
- To encourage basic recognition of letters and numbers through play in preparation for school.

We strive to create a welcoming atmosphere with approachable staff to help create effective communication between parents and practitioners. When parents and practitioners work together, the results have a positive impact on the child's development and learning.

Ballygawley Early Years Playgroup is operational during term time from Monday to Friday. Currently we offer two part-time sessions:
